Please check one of the boxes below to tell us what you would like us to do with the information you are providing on this questionnaire. If you would like to file a charge of job discrimination, you must do so either within 180 days from the day you knew about the discrimination, or within 300 days from the day you knew about the discrimination if the employer is located in a place where a state or local government agency enforces laws similar to the EEOC's laws. If you do not file a charge of discrimination within the time limits, you will lose your rights. If you would like more information before filing a charge or you have concerns about EEOC's notifying the employer, union, or employment agency about your charge, you may wish to check Box 1. If you want to file a charge, you should check Box 2.

Box 1 ☐ I want to talk to an EEOC employee before deciding whether to file a charge. I understand that by checking this box, I have not filed a charge with the EEOC. I also understand that I could lose my rights if I do not file a charge in time.

Box 2 ☒ I want to file a charge of discrimination, and I authorize the EEOC to look into the discrimination I described above. I understand that the EEOC must give the employer, union, or employment agency that I accuse of discrimination information about the charge, including my name. I also understand that the EEOC can only accept charges of job discrimination based on race, color, religion, sex, national origin, disability, age, genetic information, or retaliation for opposing discrimination.
